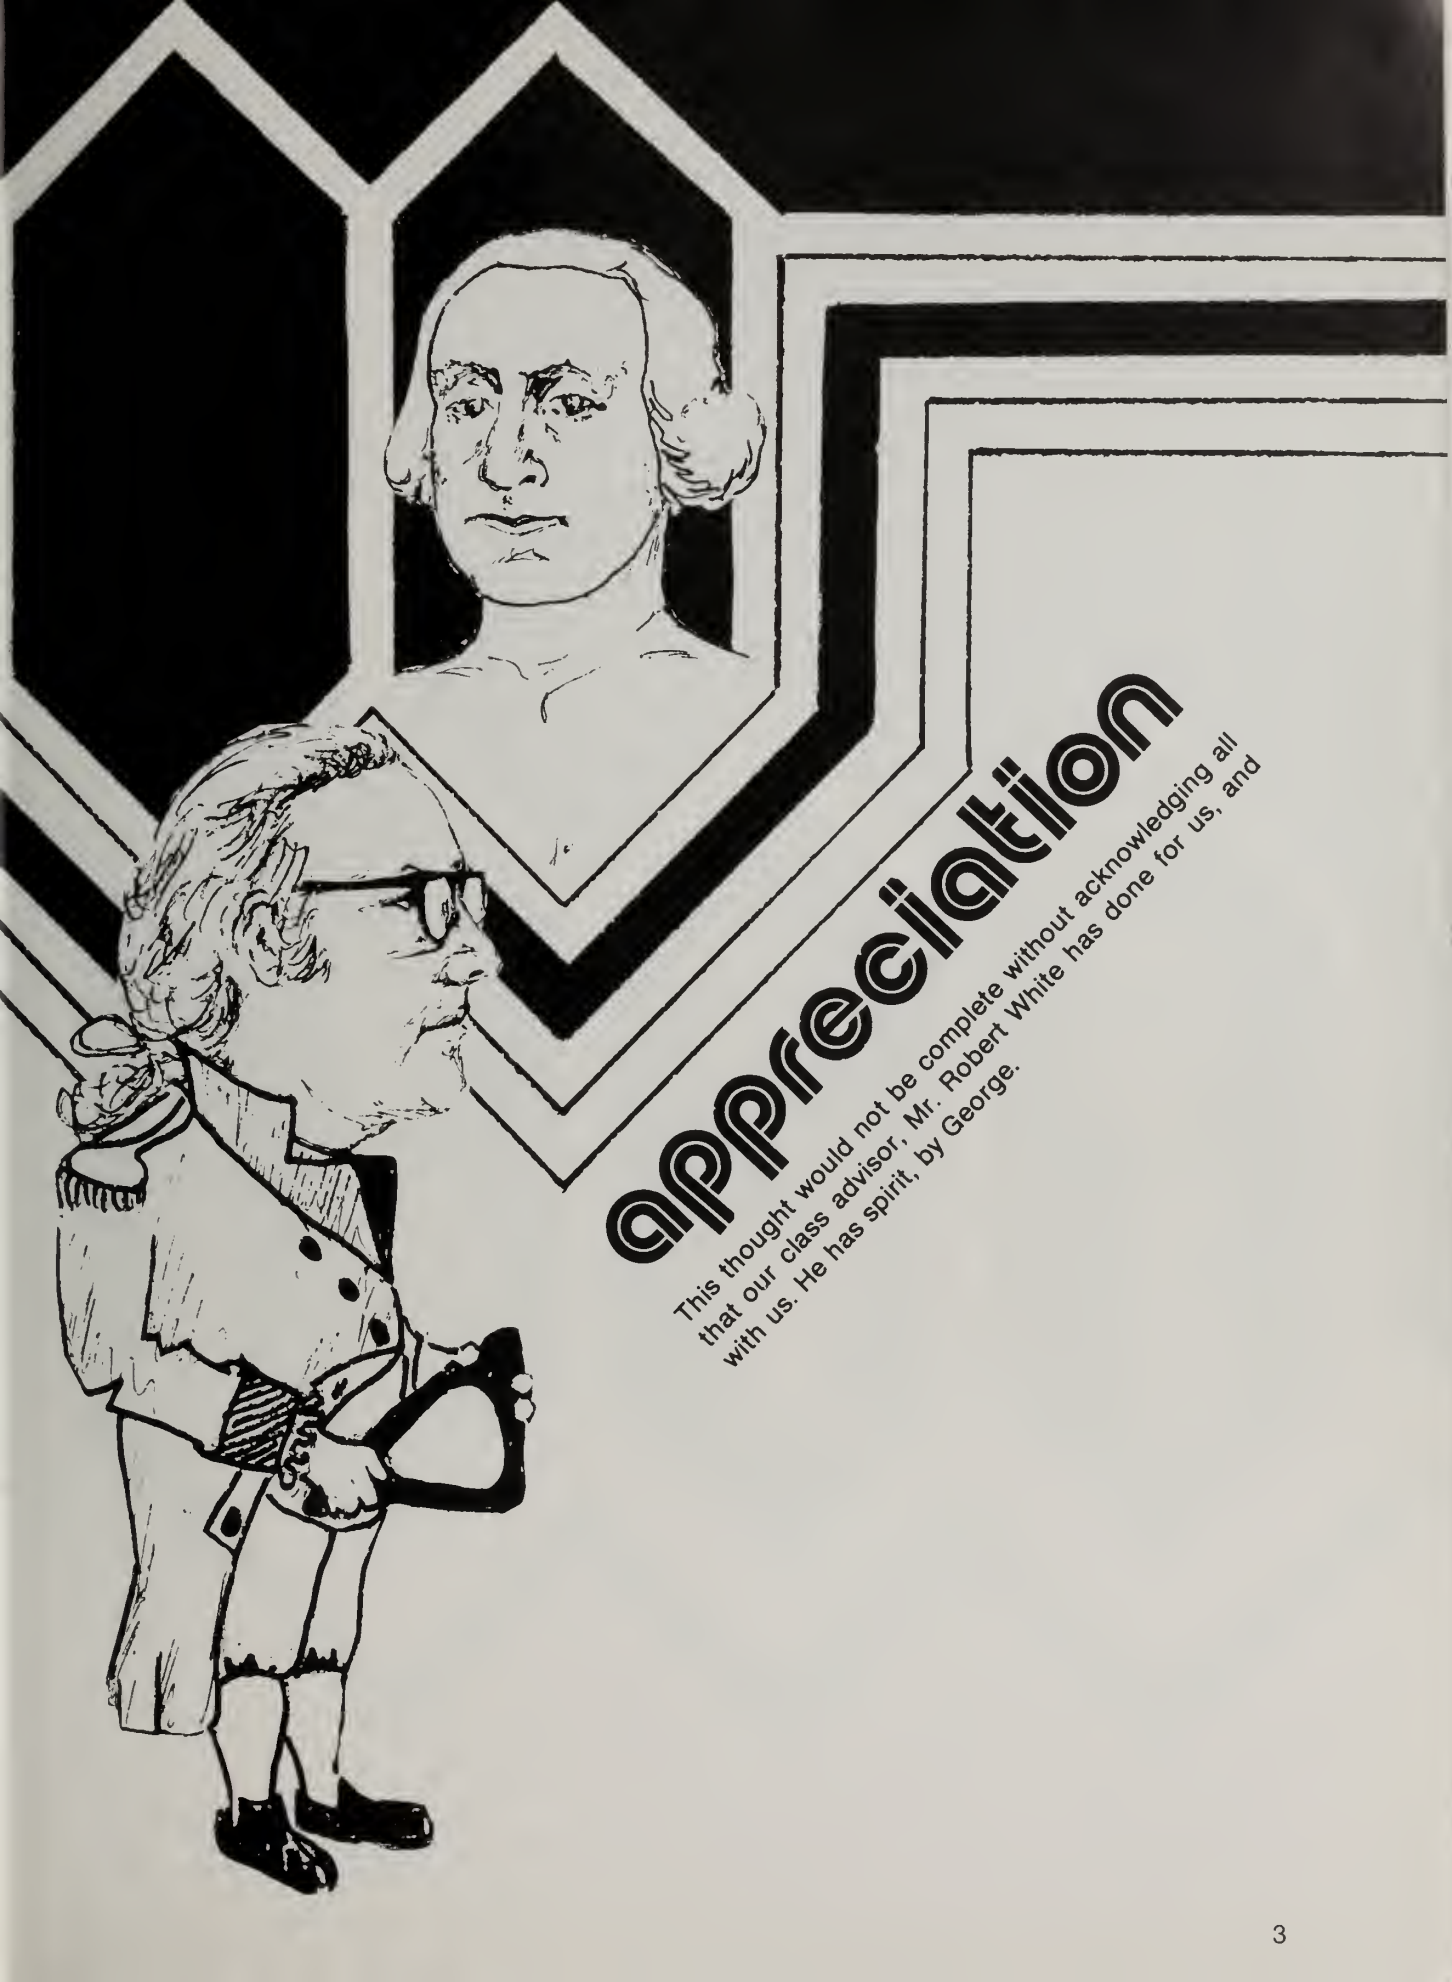
dedication

We dedicate the 1977 Marsengold to Class Spirit. We hope that future classes can have the same kind of enthusiasm and spirit that makes the class of '77 what it is — one great class!!!



appreciation

This thought would not be complete without acknowledging all that our class advisor, Mr. Robert White has done for us, and with us. He has spirit, by George.

faculty

ADMINISTRATION

Some people will do anything to hang onto a job . . . except work.

UPPER LEFT: James Dowd — So what if there is ten feet of snow outside.

CENTER LEFT: John S. Blanchon — Back for your weekly check-up?

UPPER RIGHT: Richard D. Stevenson — Dear God, help me get through the morning notices.

LOWER RIGHT: Olivia C. Steele — How did you get my car up on the roof?

LIBRARY/ART/MUSIC

Next to torture art persuades fastest

UPPER LEFT: Marion L. Clark — I don't think you'll find those kinds of magazines here.

CENTER LEFT: Frank Bryant — Why is this man smiling?

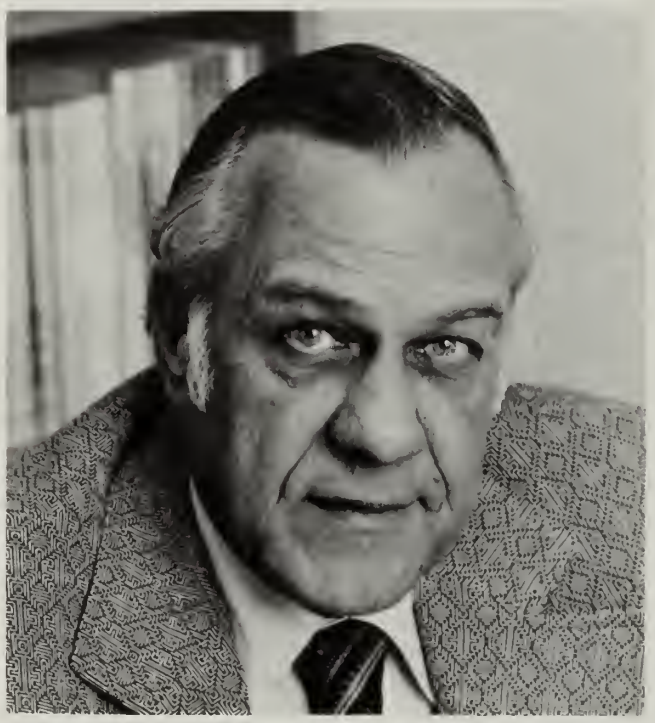
CENTER RIGHT: Janet Eldridge — No they are not beauty masks!

LOWER LEFT: Ann Hughes — Which one of you baritones is singing soprano?

LOWER RIGHT: Lester C. Fleishman — You did WHAT with the flutes?

GUIDANCE

"Shun advice at any price that's what I call good advice."



UPPER RIGHT: Myles J. Marcus — I gave up trying to understand people long ago.

ABOVE: William J. Konsavage — I could have bought Sharon for 25¢ an acre.

CENTER: Kathy Falzone — Hi, big boy, my name's Kath, what's yours?

LOWER RIGHT: Eileen Fitzgerald — Listening to someone else's problems always depresses me.

UPPER LEFT: Albert E. Soule — Your Kuder test shows you have a great deal in common with a . . . plumber.

UPPER RIGHT: Aquanetta Culppepper — Just as soon as I learn all the answers, they change all the questions.

CENTER LEFT: Joel B. Peckham — Ain't he sweet?

CENTER RIGHT: Marian Haley — No problem is so big or complicated that it can't be run away from!

LOWER LEFT: Raymond F. Cashman — It's hard on a face when it gets laughed on.

CENTER LEFT: Cynthia L. Smith — Keep your own score, it's good experience.

LOWER RIGHT: Bruce H. Allman — Standing on the corner watching all the guys go by.

PRACTICAL ARTS

No we do not kiln dry our lumber in the home economic ovens, regardless of what it tastes like.

UPPER LEFT: Thomas A. Marsilli — I don't think being well-rounded is important. I'd rather see people with a cutting edge on them.

UPPER RIGHT: Miriam R. Eames — No mean woman can cook well. It calls for a generous spirit, a light hand, and a large heart.

LOWER LEFT: Cynthia M. Atkins — I'm just pins and needles all over!

CENTER RIGHT: Nelson Rebello — Edith Anne's my sister, and that's the truth.

ENGLISH

UPPER RIGHT: Carroll G. Holt — "How do you spell relief?"

LOWER RIGHT: Barbara Green — "3 pink slips and you're out!"

BUSINESS

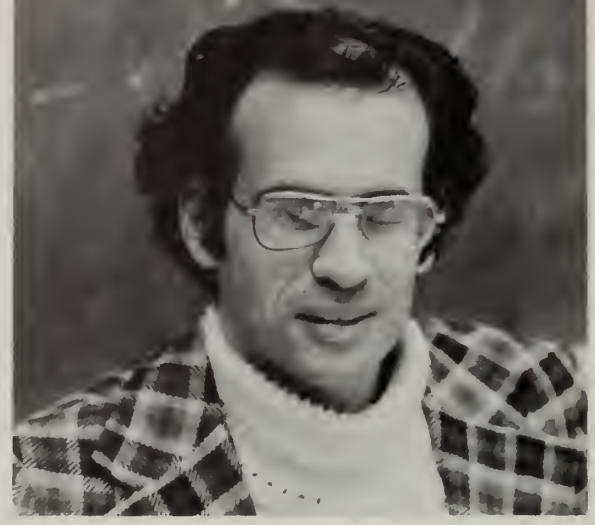
When they told us to mind our own business, we took it literally.

UPPER LEFT: John S. Germaine, Jr. — Smile, it makes people wonder what you've been up to.

UPPER RIGHT: Joseph Courteau — "Why can't they get me a bigger desk?"

LOWER LEFT: Ethel E. Atkinson — A-A-A space J-J-J space.

LOWER RIGHT: John D. Nero — "Yes, it is a rather large violin case."



UPPER LEFT: Paul E. Hanna — Lost: newspaper clipping, considered ancient artifact; track record set by P. Hanna.

UPPER RIGHT: George S. Anthony — "I could go for a beer and pretzels, by george."

CENTER LEFT: Peter Elefterakis — A good teacher is a scarce commodity.

CENTER RIGHT: Robert F. Cunha — Hi kiddos, how's baseball with Perk?

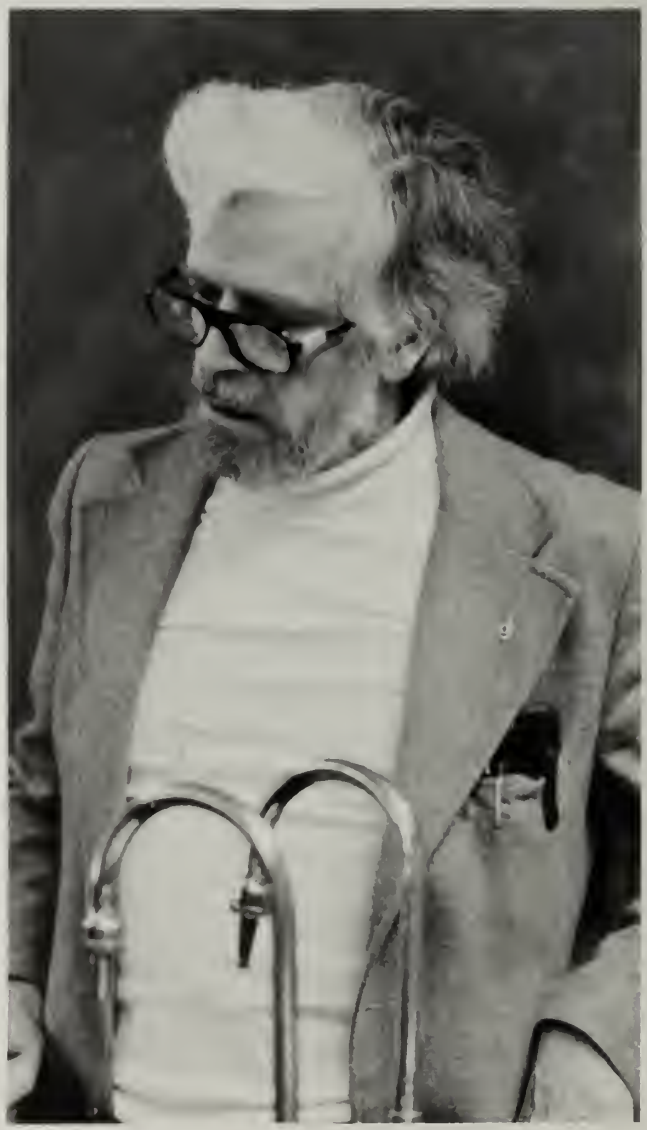
CENTER RIGHT: Linda DiVittoria — "Ready or not here I come!"

LOWER LEFT: Joseph Cook — "Pink Shoes . . . ya wanna step outside?"

LOWER RIGHT: Gail Nagle — "I may be new but I'm tough!"



UPPER LEFT: Rene C. Houde — "Middle age is when your age starts to show around your middle."
